

Whether you're a long-time modeler or racer, have just discovered the fascinating world of Tamiya products, or are looking for a new hobby "Made in Japan", all are welcome at the Tamiya Plamodel Factory – Shimbashi!

The store is handily located near JR Shimbashi station, which is only 5 minutes from JR Tokyo station by the JR Yamanote Line, and is also close to the major shopping street of Ginza. Our welcoming staff await you in this modern 3-floor treasure trove of Tamiya goods, including 2 floors devoted to a shop stocking all of Tamiya's present products, plus an events floor where you can check out the latest releases, take part in races and much more. The building is open until 10pm from Monday-Friday, and until 6pm on Saturday, Sunday and public holidays.

Why not also take a look at the Tamiya Plamodel Factory store in Yokohama?

Tamiya Plamodel Factory – Shimbashi Store Guide

① SHOP FLOORS

Showcasing every Tamiya product currently on sale!

The Tamiya Plamodel Factory – Shimbashi shop is spread across the basement (BF) and first floor (1F), and stocks every Tamiya item currently on sale. That totals an amazing 6,000 products from the static model, R/C model and Mini 4WD series, plus finished models, spare and option parts, specialist paints and tools, and much more – there's something to interest everyone!

② GALLERY CORNERS

See Tamiya models on display

These corners have a wide range of assembled and painted Tamiya models in all their glory – they not only provide inspirational examples of how our kits look when they are finished, you can even pick up the R/C models and give them a closer examination. Tamiya also sells a range of high quality finished models.

③ DECORATION SERIES CORNER

Realistic sweet replicas - fun for everyone!

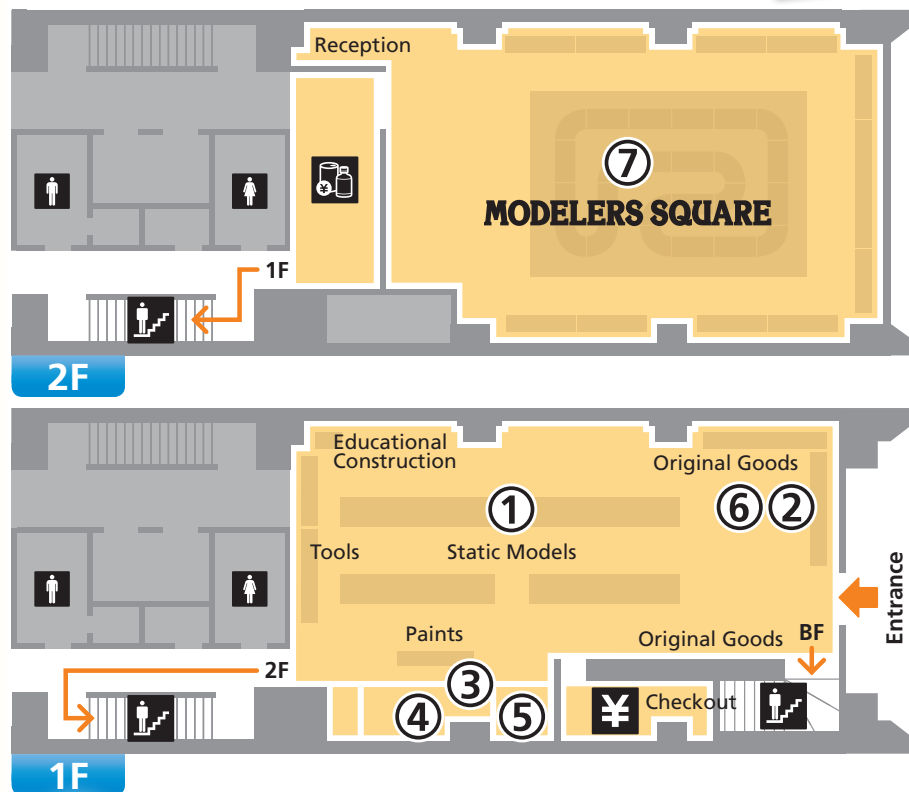

Use the numerous varieties of clay and other materials in this area to make sumptuous-looking replica sweets. This hobby is especially popular with female customers and children in Japan.

TAMIYA PLAMODEL FACTORY

ENTRY PASS

This entry pass (¥500 incl. tax) is required to enter the Modelers Square Floor on the second floor (2F) of this store (see section ⑦). Entry is free for female customers, and those under 18.

Free WiFi is available instore.

④ VIDEO & BOOK CORNER

A wealth of resources

Whether you want to learn about R/C driving, pick up a useful reference source for your historical scale models, or are looking for any official Tamiya publications, this extensive section is a great place to start.

⑤ AIRBRUSHING CORNER

Try your hand at the art of airbrushing

Have a try at airbrushing, which is a key skill for advanced modelers. Tamiya's extensive product line-up ranges from beginner airbrushes to those aimed at pro modelers, and a number are provided in this corner to practice with.

⑥ WORKSHOPS APLENTY!

Come and learn!

We run plenty of workshops on subjects from the Decoration Series to military static models and more, with many on weekends and public holidays. Come along and experience the fun of Tamiya products.

⑦ MODELERS SQUARE

150m² of multi-purpose event space

The second floor (2F) plays host to a variety of new item exhibitions, R/C and Mini 4WD race events, workshops, lectures from pro modelers and much, much more! This space can also be hired for private events. Information about the Modelers Square schedule is posted on the Tamiya Plamodel Factory homepage.
